

# TIP WATCH

**Receive anonymous tips and communicate with tipsters through text message and web form**

Building upon Nixle's award-winning messaging platform, Nixle's Tip Watch allows residents to proactively connect with your agency by submitting anonymous tips through text and web messaging.

Additionally, Nixle's Tip Watch provides law enforcement with a two way, anonymous connection with tipsters to help gather more information.

“Nixle Tip Watch has the potential to increase our police force by thousands through the enlistment of the community’s eyes and ears.”

— Oakland Police Chief Howard A. Jordan

## Features

- ✓ Custom mobile keywords to accept SMS tips
- ✓ Web links integrated into your Nixle messages
- ✓ Real-time two-way communication with tipsters

## Benefits

- ✓ Engagement with your community
- ✓ Aid investigation efforts

# TIP WATCH

Nixle makes it easy for residents to anonymously connect to your agency.

## How can residents submit tips to my agency?

1

### Text Message

Text message tipping allows residents to easily and anonymously submit tips from their mobile devices.

2

### From your homepage

Embed buttons placed on your homepage will direct visitors to your agency's anonymous tipping web form.

3

### From your Nixle messages

Residents can respond directly to your Nixle text messages with a tip, and Nixle emails and web messages will include a link to your agency's anonymous tipping web form.

Public Safety agencies who sign up for Anonymous Tipping receive Nixle's award-winning mass notification product, Nixle Connect, at no cost.
